1-1 Program BYOD Selection

Please make selections on this page if you are choosing BYOD for 2025.

If wanting to ensure a BYOD device will meet future software demands please use the hardware specifications of H2BD 2025 devices as a guide.

Update the operating system on your child's device to latest available operating system.

BYOD supports devices running the following operating systems (OS):

Apple: 12.0 and later *

Windows: 10 (22H2) and later + Windows 11

*Note: Chromebooks are not supported BYO devices and are not compatible with our School.

Please detach this form and return to Kirwan SHS main office or email to: studentICTsupport@kirwanshs.eq.edu.au

Foreword

This Selection Guide provides specifications and configurations for the devices offered in the 2025 round of Hire to Buy Device (H2BD) at Kirwan State High School. The completion and return of the *Selection and Payment Form* on the back two pages of this document is all that is required to confirm involvement in H2BD 1-1 Program or Bring Your Own Device (BYOD) for 2025.

The 1-1 Program (H2BD and BYOD) offered by Kirwan SHS is explained in more detail in the *Kirwan SHS H2BD/BYOD Handbook* document which is available on the school website. This *Selection Guide and Order Form* should be read in conjunction with the *Handbook* document.

Participation in H2BD is conditional upon participation in the *Student Resource Scheme*.

The devices offered in this selection come with a 3-year warranty (including battery) and 3 years Accidental Damage Protection (ADP). Pricing offered in this version of the Selection Guide is indicative of the laptops that will be ordered by the end of Term 4 2024 – for distribution throughout Term 1 2025. Prices may vary depending on a number of factors. Parents will be contacted if the price goes up. If it goes down prices will be adjusted accordingly.

Refer to the *later sections of this* document for any points of clarity regarding support offerings, device ownership, software, etc. On completion of the Order Form; if selecting a H2BD option, you will be receipted for the H2BD Participation Agreement and an order placed for your selected device.

Payment in full or the 1st year payment with your signed Participation Agreement form needs to be completed by 29 November 2024 to place the Laptop order. Laptops will be distributed to students throughout Term 1 2024.

Accidental Damage (ADP) Terms and Conditions Summary

- \$0 excess on claims.
- A maximum of one (1) claim per 12-month period commencing from the start date of the term of the Service Contract (effectively one claim per calendar year).
- Claims do not accumulate or carry over to any subsequent 12-month period.
- Additional ADP claims within the same 12-month period will be repaired at the vendor's full parts and labour costs. These repair costs will be passed on to students/parents.
- ADP does not cover accessories (Laptop case, Digital pen); however, these accessories can be purchased through the school.
- Balance of ADP coverage (along with warranty) is transferrable. (Particularly relevant if student leaves the school within 3-year warranty/ADP period). There may be a small transfer fee applied.
- Decisions on ADP coverage are made by a third-party insurance provider. Adequate details of the incident causing damage is required on the claim form for an ADP claim to be processed.

Option 1:

This option is suitable for all general school use including browsing the internet and creating documents using Microsoft Office applications. This option may run video editing programs, but performance will not be of a high standard. It is suitable for and recommended for all students that are not doing specialty subjects.

Dell Latitude 3140

- 11.6 HD 1366 x 768 WVA Touch Screen 16:9
- Dragontrail Pro Glass with MS MPP Pen Support
- Rubberised LCD surround
- Intel Alder Lake N200 Processor, Turbos up to 3.7Ghz
- 8GB DDR4 4800 MHz Memory
- 256GB M.2 NVMe Solid State Drive
- Intel Wi-Fi 6 AX201 2x2 .11ax 160MHz
- Integrated Video Webcam with Microphone and World view camera
- 1x USB 3.2 Gen 1, 1x USB Type-C, 1x HDMI, 1x Headset/mic combo jack
- Spill and Pick Resistant Keyboard
- 4-Cell, 53 WHr, ExpressCharge capable
- Weighs 1.35kg starting weight
- Targus Contego 4.0 Armored Slipcase included
- Dell Optical USB Mouse MS116

TOTAL \$1,129.70 inc GST

Option 2:

This is our performance tier device option. It is a higher tier choice for those Senior Secondary students looking for advanced performance, faster processing and exporting speeds from Adobe or Autodesk workloads.

Dell Latitude 3540

- 14" FHD 1920 x 1080 Anti-Glare Touch
- 13th Gen Intel® Core™ i5-1335U processor
- 16GB DDR5 RAM
- 512GB M.2 2230, TLC PCIe Gen 4 NVMe
- Intel Wi-Fi 6E (6 if 6E unavailable) AX211, 2x2, 802.11ax, Bluetooth Wireless Card
- 1x USB4 Gen 2 Type-C (20G x1) w/ Power Delivery & DisplayPort, 3x USB 3.2 Gen1 (1x with PowerShare), 1x HDMI 1.4, 1x RJ-45 Ethernet port, 1x Universal Audio Jack
- English US backlit AI hotkey keyboard, 79-key
- 3-cell, 54Wh Battery, Long Life Cycle, Express Charge, 3-year battery warranty
- Weighs 1.81kg
- EcoLoop Pro Sleeve 11"-14" case included

TOTAL \$1,598.30 inc GST
