

## ICT30120 Certificate III in Information Technology

### Qualification description

This qualification reflects the role of individuals who are competent in a range of Information and Communications Technology (ICT) roles, including animation, digital media skills, generalist IT support services, programming, systems and web development.

Refer to [training.gov.au](http://training.gov.au) for specific information about the qualification.

### Entry requirements

There are no entry requirements for this qualification.

### Duration and location

This is a two-year course delivered in Years 11 and 12 on site at Kirwan State High School.

### Course units

To attain a ICT30120 Certificate II in Information Technology, 12 units of competency must be achieved:

Unit code	Title
BSBCRT301	Develop and extend critical and creative thinking skills
BSBXCS303	Securely manage personally identifiable information and workplace information
BSBXTW301	Work in a team
ICTICT313	Identify IP, ethics and privacy policies in ICT environments
ICTPRG302	Apply introductory programming techniques
ICTSAS305	Provide ICT advice to clients
CUAANM301	Create 2D digital animations
CUADIG311	Prepare video assets
CUADIG312	Author interactive sequences
ICTICT213	Use computer operating systems and hardware
ICTSAS312	Provide basic system administration
ICTWEB304	Build simple web pages

### RTO obligation

The RTO guarantees that the student will be provided with every opportunity to complete the qualification. We do not guarantee employment upon completion of this qualification.

Students who are deemed competent in all 12 units of competency will be awarded a Qualification and a Record of Results.

Students who achieve at least one unit of competency (but not the full qualification) will receive a Statement of Attainment.

### Delivery modes

A range of delivery modes will be used during the teaching and learning of this qualification. These include:

- face-to-face instruction
- work-based learning
- guided learning
- online training.

### Fees

All fees are published on Kirwan State High Schools VET subject selection form

### Assessment

Assessment is competency based and completed in a simulated business environment.

Units of competency are clustered and assessed in this way to replicate what occurs in a business office as closely as possible.

Assessment techniques include:

- observation
- folios of work
- questioning
- projects
- written and practical tasks.

### Work placement

Students are provided with the opportunity to do structured workplace learning, where they could work in a real Information Technology environment.

### Pathways

This qualification may articulate into:

- ICT40120 Certificate IV in Information Technology
- ICT50120 Diploma of Information Technology
- work within the Information Technology area.
