

MSF20522 Certificate II in Furniture Making Pathways

Qualification description

This qualification is intended for a learning and assessment environment, such as a school-based pre-employment training program, where access to structured on-the-job learning in a workplace may not be available.

It delivers broad skills and knowledge in furniture making tasks which will enhance the graduates' entry-level employment prospects for apprenticeships, traineeships or general employment in a furniture manufacturing environment or related workplace.

Refer to training.gov.au for specific information about the qualification.

Entry requirements

There are no entry requirements for this qualification.
