

SIT30522 - Certificate III in Events Management

Qualification description

This qualification reflects the role of individuals who use a range of events administration or operational skills and knowledge to complete event-related work activities. Using discretion and judgement, they work with some independence under the guidance of more senior event personnel, using plans, policies and procedures to guide work activities.

Events are diverse in nature and this qualification provides a pathway to work for event or exhibition organisations operating in a range of industries including the tourism and travel, hospitality, sport, cultural and community sectors.

Refer to training.gov.au for specific information about the qualification.
